Saturday April 18th Middle School Championship Series

Middle School Pole Vaulting Season has been shortened by the cancellations due to bad weather.. We will host a series of competitions for all middle school athletes that register. In addition as a bonus all registrants will be invited to a free 4 hour pole vault clinic designed to improve their specific level of skill. EliteSportz competitions and training are carried out in a 10,000 square foot indoor training facility. The EliteSportz staff is composed of professional coaches with over 20 years of experience and an Olympic PV competitor with an undergraduate and Masters degree in Sports Performance Training. We invite you to come compete, improve your pole vaulting skills, visit our training facility and have a great time doing it! Heat sheets will be sent out on Wednesday, April 15th identifying time and pit schedules for competitors.

Be sure to provide an active email address to receive the heat sheets!
